Dear Potential Series Sponsor,

The WKA Midwest Sprint Series is looking for class, special award and event sponsors for the 2010 racing season. MWSS has a history of great success covering the past 16 years and looks forward to many more seasons of competitive racing throughout each class that often mirrors the same level of competition seen at the national level. The key to the success of this series is multi-fold and spans the spirit of friendly competition of our members, the dedication and pure intent of our hard working personnel and volunteers, and of course the loyal support of our sponsors.

The Midwest Sprint Series is a non-profit, five-race campaign that features 2 cycle WKA classes. This is a WKA sanctioned divisional series; therefore, Manufacturer's Cup points can be earned.
