102.4 TEMPORARY MEMBERS: Non WKA members may apply for a temporary membership to compete in WKA sanctioned divisional or regional events. Temporary memberships are not offered for National events and do not accrue points at other events. All regulations in this manual apply equally to Temporary Members. Temporary Members in violation to these rules are subject to the same disciplinary actions as are WKA members in good standing including probation and suspension of member privileges. A Temporary Membership in WKA allows the applicant to compete in a single WKA Divisional event. An event is considered to be practice and one complete round of classes. If two complete rounds of classes are offered in the same weekend, two Temporary Memberships are required. Temporary members are subject to all rules and regulations in the current WKA Technical Manual.

All Minor (under 18) Temporary Membership Applicants must have the Parental Consent Form on the opposite side of this application completed by their Parent or Legal Guardian.
